# ADAPT 500 Series

#### ADAPT 560 ADAPT 563

## Stay agile, achieve more

Cut through the noise and make your presence felt with a headset that keeps you productive in open offices, or on the move. Get clearer calls with the discreet boom arm for excellent speech intelligibility and use ANC in noisy situations to focus.

Whether on a business call or focusing at your desk, multiconnectivity helps you switch between your two favorite Bluetooth<sup>®</sup> devices. The soft, on-ear wearing style creates all-day comfort and the portable design gives you a handy, stylish, yet business grade audio tool. UC optimized and Microsoft Teams certified, the ADAPT 500 Series delivers on every professional parameter and offers excellent stereo music performance during your working day. With up to 46 hours of battery life, you can rely on a headset that adapts to the way you work and boosts your productivity.

## Key benefits & features

#### Get clearer calls on demand

The discreet, foldable boom arm and two advanced microphones optimize voice pick up for clearer office and mobile calls

#### Concentrate anytime, anywhere with ANC

Four ANC microphones reduce background noise to increase work focus, together with plush ear pads for good sound isolation

#### Ensure clear calls with UC certified solutions

Certified for Microsoft Teams and optimized for UC

#### Work your way

Portable design that works the way you do with discreet boom arm, music performance, noise cancellation and long battery life

#### Enjoy comfort and convenience

Soft, on-ear wearing style for all-day comfort. Ear cups rotate and dual-foldable design fits neatly into the handy carry case

> Certified for Microsoft Teams
